

Eastern Kentucky University has approved a new early registration policy for designated populations effective for the Spring 2010 semester. This new policy was initially proposed through SGA and other campus entities.

The first categories of students approved for early registration are Seniors with 102 hours earned at the time of registration and graduate students. These students will be able to register beginning November 2. Twenty-four hours later on November 3, the “designated populations” listed below will be able to register for classes:

1. Selected students with specific disabilities
2. Honors Program
3. Specified Spirit Groups – (Marching Band, Pep Band, Cheerleaders, Dance Team)
4. Student Athletes

Registration for all other students will begin November 4 based on the timetable below:
